

# Equatio by Text Help

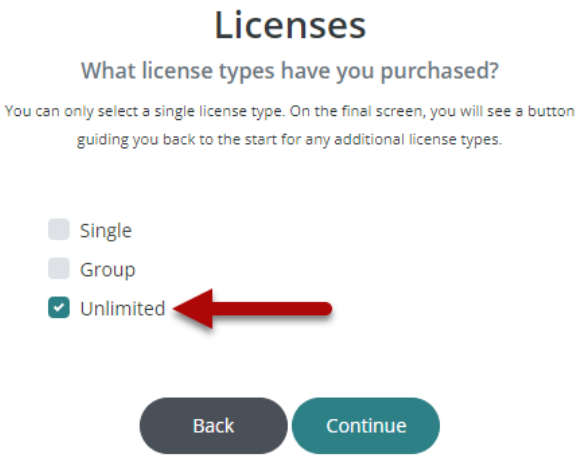

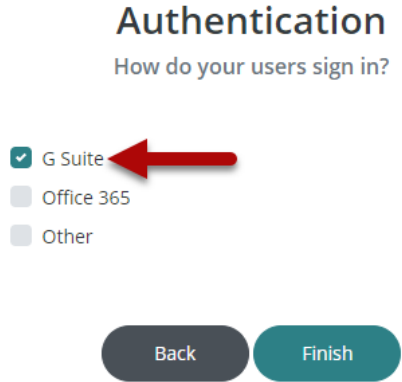

## SVCC Installation Guide

Equatio offers several installation options for users. SVCC has purchased an Unlimited License for student and staff use. Users may install as many versions of Read&Write as they need for their devices.

- **Equatio for Google Chrome**  
Equatio for Google Chrome is added through an extension. Search for the Equatio Extension at the Chrome Web Store. [Learn to use the Equatio Extension in your Chrome browser at this link.](#)
- **Equatio for Windows and Mac**  
Equatio for Windows and Mac is recommended for use with applications on the desktop of your computer including Microsoft Word. First, [download the Equatio installer.](#)

To install Equatio on a device complete the following steps:

Instructions	Screenshots
Navigate to the <a href="#">Texthelp Products page.</a>	
Select the Products box for Equatio.	
From the dropdown menu, select <b>one platform</b> on which you wish to install the product. (Users may download additional platforms at a later time. Choose only one item from the menu at a time for successful installation.)	

Instructions	Screenshots
<p>Select <b>Continue</b> at the bottom of the screen.</p>	
<p>Licenses – Select Unlimited as the license type.</p> <p>Select <b>Continue</b> at the bottom of the screen.</p>	
<p>Authentication: Select G Suite.</p> <p>Select <b>Finish</b> at the bottom of the screen.</p>	

A new page will load where you will be provided the requested download file. Download and install the provided file. When prompted to allow the app to make changes to your device, select **Yes**.

Equatio has also been integrated in to the Rich Content Editor in Canvas.
